

CIRRUS REFERRAL PROGRAM

## CIRRUS REFERRAL PROGRAM

When you share your love and enthusiasm for Cirrus Aircraft we can tell. After all, it's how we became the world's best-loved single-engine aircraft. Our owners remind us - what brought them to Cirrus was the recommendation from someone whose opinion they value.

We'd like to thank you for your recommendation the best way we know how – with cold hard cash.

**Submit a referral that results in a sale and delivery of a Cirrus to a first-time Cirrus owner and we'll say thanks with a check.**

## HOW IT WORKS

- Go to [cirrusaircraft.com/referral](http://cirrusaircraft.com/referral)
- Complete our simple online referral form
- To the extent possible, assist Cirrus in completing the sale.

Cirrus will make one referral payment per airplane, awarded in graduating increments, for referral activity in addition to the first aircraft delivery.
