Plan documents govern all policy provisions.

Cirrus offers two plans, a PPO and a High Deductible Health Plan with a Health Savings Account (HSA). Single and dependent coverage is available. The plan encourages utilization of preferred medical providers, however lesser benefits are also provided to non-preferred providers. A prescription drug benefit is also included. Premium costs are shared between the employee and Cirrus.

Dental Insurance

Optional life insurance for spouse and dependents can also be elected at the employee's expense.

Short Term Disability Insurance

Short-term disability insurance provides a weekly income to employees who are unable to work due to a qualified non-work related illness, injury, or disability. The weekly benefit is equal to sixty percent of basic weekly pay, subject to a maximum of \$500 for up to twenty-six weeks. Eligible employees must enroll in group short-term disability insurance. Cirrus' long term disability insurance provides partial pay for employees who are unable to work due to a qualified non-work related illness, injury, or disability. The plan pays a monthly sum to cover expenses if you become disabled and are not able to function in your chosen occupation or profession. Employees are eligible for long-term disability insurance on the first day of the month following thirty days of employment. Premiums are paid by Cirrus.
