TRAINING

3 Day Transition Training Package

SR22 PACKAGES

CIRRUS SELECT $41,690

Add cruising comfort for both the pilot and the passengers with the **Yaw Damper.** It will practically eliminate the need for rudder input in those extended climbs and turns, allowing for a smoother ride. Your peace of mind also increases with **Enhanced Vision System (EVS)** and the **Digital 4-in-1 Standby Instrument**. EVS creates an image of what is outside the aircraft by using infrared technology to turn night into day. The digtal standby instrument provides backup attitude, altitude, airspeed and skid/slip information in a format familiar to today's glass cockpit aviators. *Weight Δ: 2.7 kg*

ALERTS, AWARENESS & ASSISTANCE $42,790

Always know where other aircraft are located with **Active Traffic Information** that alerts you of all aircraft with an active transponder within your proximity. **eTAWS**[2] is a TAWS-B terrain warning system with greater predictive precision information based on your flight path, and if terrain is ahead, gives you early warning aural alerts. **SurfaceWatch™**[2] monitors your aircraft's position on the ground providing enhanced situational awareness through aural and visual alerts to the pilot throughout the airport terminal environment. *Weight Δ: 6.8 kg*

DIGITAL ADVANTAGE $35,090

Upgrade to **12" (30.5 cm) screens** for tremendous situational awareness and 35% more screen real estate over the standard 10" screens. Always know where you are on approach or on the airport itself with **ChartView** (geo-referenced Jeppesen published electronic charts) and one year of navigation data subscriptions. **Garmin Flight Stream**[1] allows you to connect your mobile device to your built-in avionics panel. *Weight Δ: 1.4 kg*

CERTIFIED FLIGHT INTO KNOWN ICE $54,890

Increase your flying flexibility and capability with the **Cirrus Known Ice Protection System**. Not an STC or an afterthought, this TKS-based system was uniquely engineered to include innovative features such as **dual windshield sprayers** that ensure landing visibility, **dual TKS fluid tanks with automatic tank switching** and **three TKS flow rate options** to cover every condition. More impressive is the full integration with the Cirrus Perspective cockpit providing ready access to **TKS fluid duration and range information** and all **System Operating Parameters.** Finally, this package also guarantees your aircraft is ready for colder weather flying and maximized engine life with a **Tanis Engine Pre-Heater.** *Weight Δ: 28.6 kg*

PRESTIGE, COMFORT & CONVENIENCE $38,390

Your aircraft will take you many places; make it look even better at your home airport with the Prestige, Comfort & Convenience Package. Adds **leather bolstered seats, UV windows, two-tone silver over white paint, polished spinner, handles and steps, remote keyless entry** and **interior/exterior ambient convenience lighting**.

CARBON APPEARANCE UPGRADE $31,790[3]

Inspired by the unmistakable style of the most legendary sports cars, the Carbon Appearance premium upgrade utilizes a new palette of accent colors that delivers a stunning tarmac presence. Interior details such as jet black vents, carbon fiber instrument panel lobes and two-tone premium leather bolstered seats complete this exhilarating look.

PLATINUM APPEARANCE UPGRADE $31,790[3]

A true sense of traditional, elegant and luxurious style is captured in the Platinum Appearance premium upgrade. Fluid lines and a distinguished collection of earthy exterior colors highlight this desirable option. Nickel vents, a painted spinner, and solid color premium leather bolstered seats provide the perfect finishing touches that complement this rich appearance upgrade.

RHODIUM APPEARANCE UPGRADE $31,790[3]

Timeless and sophisticated, the Rhodium Appearance premium upgrade defines modern luxury with iconic simplicity. Make your statement with a striking yet subtle exterior in one of three stunning new metallic hues. Nickel vents, a painted spinner, and solid color premium leather bolstered seats provide the perfect finishing touches that complement this rich new addition to Cirrus style.

GTS

The GTS is truly the SR22 flagship. Combine all the packages for even greater value: **Cirrus Select; Alerts, Awareness & Assistance; Digital Advantage; Certified Flight into Known Ice; Prestige, Comfort & Convenience; Carbon/Platinum/Rhodium Upgrade** and **authentic GTS badging.** GTS is the luxury, technology and performance standard by which all other aircraft are measured.
