SR20 PREMIUM $612,528

The 2019 SR20 Premium includes the Digital 4-in-1 Standby Instrument, providing backup altitude, airspeed, attitude, and slip/skid data in a format familiar to glass cockpit aviators. 12" screens offer tremendous situational awareness and 35% more screen real estate over the standard 10" screens. Active Traffic interrogates nearby transponder-equipped aircraft and creates a 360° zone of detection and awareness around the aircraft and provides visual and ATC-like audio alerts to potential traffic hazards. Remote keyless entry and interior/exterior ambient convenience lighting ease evening preflights and the Carbon, Platinum and Rhodium design suites ensure that you’ll arrive in comfort and style, no matter where your Cirrus takes you. Premium leather and bolstered seats maximize cruising comfort, and striking exterior designs reflect your personality on the ramp.

SR20 Premium Weight: 967 kg

Inspired by the unmistakable style of the most legendary sports cars, the Carbon Appearance design suite utilizes a new palette of colors that delivers a stunning tarmac presence. Interior details such as jet black vents, carbon fiber instrument panel lobes and two-tone premium leather bolstered seats complete this exhilarating look.

A true sense of traditional, elegant and luxurious style is captured in the Platinum Appearance design suite. Fluid lines and a distinguished collection of earthy exterior colors highlight this desirable option. Nickel vents, a painted spinner, and solid color premium leather bolstered seats provide the perfect finishing touches to complement this stylish aesthetic.

Timeless and sophisticated, the Rhodium Appearance design suite defines modern luxury with iconic simplicity. Make your statement with a striking yet subtle exterior in one of three stunning metallic hues. Nickel vents, a painted spinner, and solid color premium leather bolstered seats provide the perfect finishing touches that complement this rich Cirrus style.
