SR22T PACKAGES

CIRRUS EXECUTIVE $31,900
Bring must-have jet features to your Cirrus SR Series aircraft. Yaw Damper provides cruising comfort for pilot and passengers, reducing pilot workload and enables true three-axis autopilot functionality. The Enhanced Vision System (EVS) leverages infrared imaging technology to display what the human eye cannot see. Gain peace of mind in night and low-visibility conditions knowing cloud tops & build-ups, surrounding terrain, runway obstacles, taxiways and surface markings are clearly visible on the MFD. Weight Δ: 6 lbs

CIRRUS AWARENESS $30,900
Get the complete picture. Active Traffic enhances the standard ADS-B In Traffic with active interrogation of nearby transponder equipped aircraft to create a 360° zone of detection and awareness around the aircraft and provides visual and ATC-like audio alerts to potential traffic hazards. eTAWS TAWS-B terrain warning system calculates predictive terrain avoidance guidance based on your flight path, visually and aurally alerting the pilot if terrain threats loom ahead. Weight Δ: 15 lbs

CIRRUS ADVANTAGE $34,900
Upgrade to 12” screens for tremendous situational awareness and 35% more screen real estate over the standard 10” screens. Always know where you are on approach or on the airport itself with ChartView (geo-referenced Jeppesen published electronic charts) and one year of navigation data subscriptions. SurfaceWatch monitors your aircraft’s position on the ground providing enhanced situational awareness through aural and visual alerts to the pilot throughout the airport terminal environment. Weight Δ: 3 lbs

CERTIFIED FLIGHT INTO KNOWN ICE $59,900
Increase your flying flexibility and capability with the Cirrus Known Ice Protection System. Not an STC or an afterthought, this TKS-based system was uniquely engineered to include innovative features such as dual windshield sprayers that ensure landing visibility, dual TKS fluid tanks with automatic tank switching and three TKS flow rate options to cover every condition. More impressive is the full integration with the Cirrus Perspective cockpit providing ready access to TKS fluid duration and range information and all System Operating Parameters. Finally, this package also guarantees your aircraft is ready for colder weather flying and maximized engine life with a Tanis Avionics & Engine Pre-Heater. Weight Δ: 63 lbs

CARBON / PLATINUM / RHODIUM APPEARANCE $34,900
The reimagined Carbon, Platinum and Rhodium design suites ensure that you’ll arrive in comfort and style, no matter where your Cirrus takes you. Premium leather and bolstered seats maximize cruising comfort, and striking exterior designs reflect your personality on the ramp.

CARBON APPEARANCE
Inspired by the sharp lines seen on high-end sports cars, the Carbon Appearance design suite commands attention on the ground and in the air. Bold colorways complement exciting new exterior graphics and interior details such as jet black vents, carbon appearance instrument panel lobes and two-tone premium leather and Alcantara bolstered seats complete this exhilarating look.

PLATINUM APPEARANCE
The Platinum Appearance design suite exudes quiet confidence. Fluid lines and a distinguished collection of exterior colors highlight this desirable option. Satin silver vents, a painted spinner and solid color premium leather bolstered seats provide the perfect finishing touches to complement this stylish aesthetic.

RHODIUM APPEARANCE
Timeless and sophisticated, the Rhodium Appearance design suite defines modern luxury with iconic simplicity. Make your statement with a striking yet subtle exterior in one of two stunning metallic hues. Satin silver vents, a painted spinner and solid color premium leather bolstered seats provide the perfect finishing touches that complement this rich Cirrus style.

GTS
The GTS is truly the SR22T flagship. Combine all the packages for even greater value: Cirrus Executive, Cirrus Awareness, Cirrus Advantage, Certified Flight into Known Ice, Carbon/Platinum/Rhodium Appearance and authentic GTS badging. GTS is the luxury, technology and performance standard by which all other aircraft are measured.

GTS Weight: 2441 lbs. $934,900
GTS without Ice Protection Weight: 2433 lbs. $904,900
