3 Day Transition Training Package

* Requires compatible device and software; additional subscription(s) may be required. 
SR22 PACKAGES

CIRRUS EXECUTIVE $34,900
Bring must-have jet features to your Cirrus SR Series aircraft. Yaw Damper provides cruising comfort for pilot and passengers, reduces pilot workload and enables true three-axis autopilot functionality. The Enhanced Vision System (EVS) leverages infrared imaging technology to display what the human eye cannot see. Gain peace of mind in night and low-visibility conditions knowing cloud tops & build-ups, surrounding terrain, runway obstacles, taxiways and surface markings are clearly visible on the MFD. Weight ∆: 2.7 kg

CIRRUS AWARENESS $33,900
Get the complete picture. Active Traffic interrogates nearby transponder equipped aircraft and creates a 360° zone of detection and awareness around the aircraft and provides visual and ATC-like audio alerts to potential traffic hazards. eTAWS' TAWS-B terrain warning system calculates predictive terrain avoidance guidance based on your flight path, visually and aurally alerting the pilot if terrain threats loom ahead. Weight ∆: 6.8 kg

CIRRUS ADVANTAGE $38,900
Upgrade to 12” screens for tremendous situational awareness and 35% more screen real estate over the standard 10” screens. Always know where you are on approach or on the airport itself with Jeppesen® ChartView™ (geo-referenced Jeppesen published electronic charts) and one year of navigation data subscriptions. SurfaceWatch™ monitors your aircraft’s position on the ground providing enhanced situational awareness through aural and visual alerts to the pilot throughout the airport terminal environment. Weight ∆: 1.4 kg

CERTIFIED FLIGHT INTO KNOWN ICE $64,900
Increase your flying flexibility and capability with the Cirrus Known Ice Protection System. Not an STC or an afterthought, this TKS-based system was uniquely engineered to include innovative features such as dual windshield sprayers that ensure landing visibility, dual TKS fluid tanks with automatic tank switching and three TKS flow rate options to cover every condition. More impressive is the full integration with the Cirrus Perspective cockpit providing ready access to TKS fluid duration and range information and all System Operating Parameters. Finally, this package also guarantees your aircraft is ready for colder weather flying and maximized engine life with a Tanis Avionics & Engine Pre-Heater. Weight ∆: 28.6 kg

PREMIUM APPEARANCE $39,900
The reimagined Premium design suites ensure that you’ll arrive in comfort and style, no matter where your Cirrus takes you. Premium leather and bolstered seats maximize cruising comfort, and striking exterior designs reflect your personality on the ramp.

EXTERIOR
With twelve bold colors and two designs, tailor the aircraft to make it uniquely yours.

CARBON APPEARANCE
Inspired by the sharp lines seen on high-end sports cars, the Carbon Appearance design commands attention on the ground and in the air.

PLATINUM APPEARANCE
The Platinum Appearance design exudes quiet confidence. Fluid lines complement a painted spinner for a truly stylish aesthetic.

INTERIOR
The Premium interior is uncompromising in design, function, and comfort featuring luxurious leather, bolstered seats, and satin silver vents and lights. Expanded aesthetic flexibility provides you with the power to select from five leather colors and two cabin interiors. Add black Alcantara inserts to your seats for sporty sophistication or designate an all-leather design for timeless beauty.

The GTS is truly the SR22 flagship. Combine all the packages for even greater value: Cirrus Executive, Cirrus Awareness, Cirrus Advantage, Certified Flight into Known Ice, Premium Appearance and authentic GTS badging. GTS is the luxury, technology and performance standard by which all other aircraft are measured.

GTS Weight: 1067 kg $964,900
GTS without Ice Protection Weight: 1064 kg $939,900
(Air Conditioning replaces Certified Flight Into Known Ice)

1Subscription Required.
ADDITIONAL OPTIONS

AIR CONDITIONING $39,900
Stay cool with this factory installed Air Conditioning System.
Weight ∆: 24.9 kg

CIRRUS GLOBAL CONNECT $16,900
Worldwide weather, satellite phone and text messaging through Iridium Communications, fully integrated for use with your cabin headphones, means you’re always within reach.
Weight ∆: 2.7 kg

BUilt-IN OXYGEN SYSTEM $13,900
Give yourself the flexibility to fly to wherever you need to be. The SR22 service ceiling allows you to fly to 17,500 ft. Take advantage of the higher altitudes to get over weather, terrain or increase your ground speed. The 77ft³ capacity factory installed system will provide plenty of oxygen for all occupants for normal flight durations.
Weight ∆: 8.2 kg

HARTZELL 3-BLADE LIGHTWEIGHT COMPOSITE PROP $15,900
Significantly increase your SR22’s useful load and add ramp presence with the three-blade composite propeller.
Weight ∆: -5.4 kg

LIGHTNING DETECTION $14,900
Enhance weather awareness with instantaneous lightning information for all types of convective activity.
Weight ∆: 2.7 kg

DME $12,900
Weight ∆: 1.8 kg

ADF $8,900
Weight ∆: 4.1 kg

TANIS AVIONICS & ENGINE PRE-HEATER $2,900
Guarantee your aircraft is ready for colder weather flying and maximize your engine life. Also included in the Certified Flight Into Known Ice package.
Weight ∆: 1.8 kg

WARRANTY

4TH & 5TH YEAR SPINNER-TO-TAIL WARRANTY
Add two more years for an unprecedented and industry-leading 5 year / 2000 Flight Hour Spinner-to-Tail warranty. The most complete coverage for the world’s most desired aircraft.

$23,900

ADDITIONAL TRAINING / DELIVERY

3 DAY TRANSITION TRAINING PACKAGE $4,750

5 DAY CIRRUS STANDARDIZED INSTRUCTOR PACKAGE $7,500
