

CIRRUS TRAINING EXPERIENCE **THE BAHAMAS**

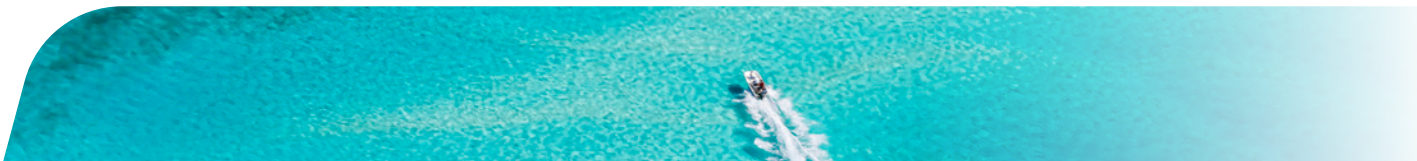

Go Beyond the Mainland

There's a moment every pilot reaches when the map no longer feels like a boundary, but an invitation. The Cirrus Bahamas Training Experience is designed to take you there.

Three days of guided, real-world international flying paired with the kind of destination that reminds you why you started flying in the first place.

What you will gain:

- Real-world international flight experience
- Confidence in customs, logistics and overwater operations
- Instructor-guided execution from start to finish
- A repeatable framework for future trips

THE EXPERIENCE

DAY 1 — PREPARE & DEPART | ORLANDO TO EXUMA

Begin with a focused ground session in Orlando covering:

- International procedures & documentation
- Customs workflows
- Overwater operations
- Flight planning strategy

Then, put it into practice. Depart as a group to Exuma with Cirrus instructors guiding every phase of flight.

DAY 2 — APPLY & EXPLORE | EXUMA

This is where training becomes instinct with real-world, scenario-based flying.

Choose your afternoon excursion, including options like:

- Pearl Island — private cabanas, snorkeling or optional dolphin encounters
- Blue Lagoon — private beach, curated service, Bahamian cuisine and effortless relaxation

Close the day with a group dinner alongside fellow Cirrus pilots.

DAY 3 — RETURN WITH CONFIDENCE | EXUMA TO ORLANDO

Enjoy a relaxed morning in Exuma before coordinating your return flight to Florida. After gaining the skills and experience, you'll have the tools to do it again on your own.

Included in this trip:

- 2-night hotel accommodations
- Ground training & international procedures course
- Dedicated Cirrus SR Series instructor support (3 days)
- Group dinner experience
- Breakfast during your stay
- Coordinated group activities
- All required paperwork guidance

Additional Considerations:

- Fuel and personal incidentals
- Optional excursions
- Rental aircraft fees may apply

\$4,300 PER PERSON
